

KENYA **2014**

Who We Are

A UK-based charity, Angel Welfare and Education Trust has been working for over a decade to help save and improve the lives of people in western Kenya.

Vision

To establish grassroot projects aimed at alleviating poverty and educating all.

Values & Approach

• Integrity

Ensuring a 100% donation policy. Every pound donated is spent on making a difference to the lives of the people in western Kenya.

• Basic amenities for those in need

Directly provide to those who are in need; focusing not only on the immediate fulfillment of the need but also on the causes of poverty.

• Human Development

developing people to lead and bring hope to communities. Our approach is to focus on unlocking ambition within communities.

• Straightforward

we are open and honest in all our projects and we act with utmost integrity.

11 YEARS
SINCE 2003

"THE BEST CHARITY IS GIVING WATER TO DRINK"

PROPHET MUHAMMAD ﷺ

Water

THE MOST BASIC OF NEEDS

Clean water not only saves lives through the provision of safe drinking water, but also has a much wider impact including sanitation, growing food and sustaining livestock.

Water is a luxury for the people of Western Kenya - especially running water. Most people walk to wells to collect water on a daily basis. Some having to walk up to three kilometres to the nearest well.

Angel Welfare & Education Trust
has Constructed

160 WELLS

and

20 WATER TANKS

WELL:
£475

Lillah & Sadaqah Nafl Only

PUMP: £900**

Lillah & Sadaqah Nafl Only

WATER TANK
£500

Lillah & Sadaqah Nafl Only

Medical Programs & Jiggers

16,000
PATIENTS
treated in
2 MONTHS

Medicine is a much sought after luxury in Western Kenya. It is difficult to find a doctor to diagnose and then a pharmacy to dispense medicine.

90% of medicines are bought by individuals rather than the state. It would cost a low-skilled government employee in Kenya an entire months wage for a course of antibiotics to treat pneumonia. Livestock, along with possessions and family treasures, are sold until there is nothing left, in the hope of keeping a breadwinner alive.

Medical camps previously run by Angel Welfare have been very successful. They are open to everyone, Muslims and non-Muslims. There are usually one or two doctors and a few nurses helping. The camp is mobile and travels across western Kenya.

Diseases treated: malaria, ringworm, thread worm, oral thrush, vaginal trush, cystitis, respiratory disease and scabies.

Medical Camps – Started December 2nd 2013 for 38 working days. We ran 2 medical camps simultaneously at 2 different location. The camps did 76 stations in total and treated over 16,000 patients. Treated most patients at the camp, others were sign posted to medical or hospital clinics. Nearly one third of patients had Malaria.

Jiggers are causing misery for millions of Kenyans. The tiny parasitic sand flies thrive in poor hygiene, and breed in the human body which can cause deformities and even death. **Through our jiggers programme we have treated 5,000 patients over a period of two months.**

MEDICAL CAMP COST:
£7,500 per month

Ramadhan & Iftaar

"ALLAH WILL GIVE YOU THE REWARD OF FEEDING A FASTING PERSON EVEN IF YOU WERE TO GIVE HIM JUST A SIP OF MILK, A DATE, OR A SIP OF WATER. HE WHO FEEDS A FASTING PERSON UNTIL HE IS FULL, ALLAH WILL MAKE HIM DRINK OUT OF MY RIVER, A SIP OF WHICH WILL NEVER ALLOW HIM TO BE THIRSTY UNTIL HE ENTERS JANNAH."

PROPHET MUHAMMAD ﷺ

By providing families food that can last a month, the poor families are able to benefit from knowing they will have food to eat at the end of the day.

1000 IFTAAR PACKS and **2 TONNES OF DATES**

distributed in Ramadhan 2013

**IFTAAR
PACK
£50**

Provides food for
one family for the
whole month of
Ramadhan

Qurbani

**300
COWS**

and

**600
GOATS**

sacrificed in 2013

**GOAT
£30**

**COW
£130**

Thousands of poor families in Western Kenya have benefitted after receiving qurbani meat through your generous donations.

Orphans & Widows

"HE WHO TAKES CARE OF AN ORPHAN, WHETHER HE IS HIS RELATIVE OR A STRANGER, WILL BE IN JANNAH WITH ME LIKE THESE TWO".

The narrator, Malik bin Anas raised his forefinger and middle finger for illustration.

PROPHET MUHAMMAD ﷺ

We support many orphans in dire conditions, living with single guardians e.g. grandparents, uncles and aunts. We decided the best way to help these poor orphans was to sponsor them where they are living rather than build an orphanage. The reason behind this being the need to keep the children within their own family and environment.

With the daily challenges posed by economic difficulty and other threats a good education comes with a price and it is often a price that many people in Third World countries are not able to pay. After the basic needs such as food, clothing and shelter are met, only then can the parents really focus on their children's schooling.

When born into this world, the future of each child is a blank canvas - in terms of intellectual capability or imagination there is no discrepancy between a First and a Third World child. It is the environment and opportunities available to them that then begin to mark and shape that canvas and determine the life path of each child. Will they get an education? Will they be fed, housed, healthy and looked after? Opportunity, education and environment become barriers. What's to say that given an education and the opportunity these children couldn't be scholars, teachers or the doctors of tomorrow?

It is very difficult for widows to financially support themselves, and through the provision of food and basic needs throughout the year we can bring comfort to their lives.

**ORPHAN
SPONSORSHIP
£300 per year**

**ORPHAN & HIFZ
SPONSORSHIP
£500 per year**

**WIDOW
SPONSORSHIP
£300 per year**

Masjids

55
MASJIDS
BUILT

"WHOSOEVER BUILDS A HOUSE (MASJID) FOR THE PLEASURE OF ALLAH, WHETHER IT BE SMALL OR LARGE, ALLAH BUILDS FOR HIM A HOUSE IN PARADISE."

PROPHET MUHAMMAD ﷺ

A masjid is the heart of the community, allowing not only a central place for worship for the daily prayers, but also providing a medium for educational, development and community activities. It is an excellent form of Sadaqah Jariyah.

Each mosque is built to the following standards:

Approximately a 700 Sq ft covered area – comprising of:

- 1 x main male prayer area
- 1 x women prayer area
- 1 x toilet facilities
- 1 x ablution place
- 1 x well or water pump
- 1 x imaam house

MASJID (125 Capacity):
£10,000

Lillah Only

MASJID (200 Capacity):
£13,000

Lillah Only

Jamia Mosque Kakamega

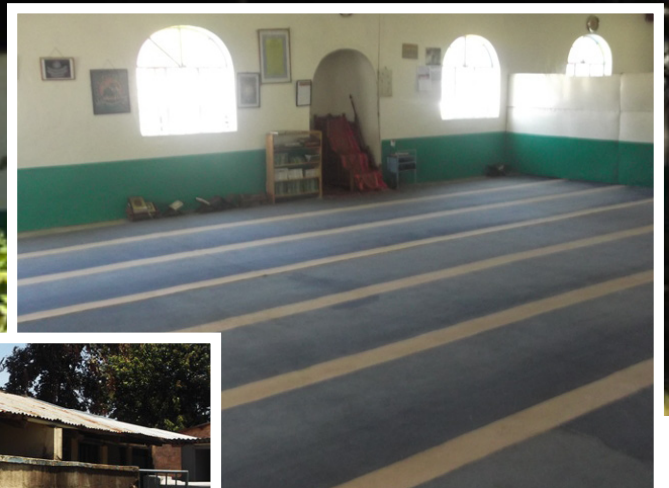

Kakamega is a small town approximately 100 km west of Kisumu and Lake Victoria. Kakamega is a regional hub for agricultural and livestock trade. Many muslims that attend the Jamia mosque are either labourers, farmers or owners of small businesses. The Jamia Mosque is located in the centre of Kakamega and is a landmark for all the locals. The Mosque also houses a madressa for 500 children and a nursery for 100 children up to 5 years old.

Even though there has been a mosque here for over 75 years, the present mosque was built 25 years ago and has been extended and renovated a few times. The growing population and the demand from local Muslims for a Central Mosque for multiple purposes such as sermons, gatherings, Eid Salaah etc. qualifies this mosque to be rebuilt to meet the present Muslim needs. Angel Welfare & Education Trust sponsor the 2 Imaams at this mosque and run quite a few projects here such as food distribution, artisans program, etc.

The largest project and by far the most popular project is cooked Iftaar during Ramadan. Every Iftaar in Ramadan a cooked meal is prepared for over 500 persons to partake in. We have been told since the AWET Iftaar program has begun in 2009 there has been an approximate 25% increase in attendees.

Surrounding Muslim population:	2000
Regular Daily Musallee (per Salaah):	100-200
Average Jumma Musallee:	1000
Average Ramadan Daily Musallee:	750
Average Eid Salaah Musallee:	1500

JAMIA MOSQUE KAKAMEGA APPEAL:

Proposal

The proposed plan is to build a Mosque for **1000 musallees** inshaAllah. In addition, there will be a **wudhu area for 50 persons** and a **toilet block for 25 persons**. A separate **Ladies and small childrens entrance** and a **Madressa capacity of 600 children**.

The need for this Mosque cannot be overstated and inshaAllah the guidance and prayers from this Mosque as a Markaz for the Kakamega district and beyond is limitless.

£120,000

Lillah Only

Education Centre

The purpose of this centre is mainly for learning and teaching Deen to new and old Muslims. New Muslims can learn Deen and go back to their villages and the old can polish up on their knowledge. Other activities would be gatherings for regional discussions for Imams, and talks on Deen to Muslims. This site was chosen for the Daawah centre because it is on a large plot of land, approximately 15 acres and not far from Kakamega.

Objectives

- To assist in teaching students Islamic beliefs, conduct and way of life.
- To help students read and understand the Holy Quran
- To acquaint students with the life of the Prophet Mohammed salallahu alayhi wa sallam, his companions and other prophets.
- To provide opportunities for creating and developing leadership qualities amongst the students through various interactive activities
- To assist the students in understand and respecting others.

Projects

ORPHANS RELIEF PROGRAMME

Duration: 20 days
Cost: £3750
Participants: 200

CRASH TRAINING PROGRAMME FOR NEW MUSLIMS

Duration: 20 days
Cost: £3750
Participants: 200

YOUTH TRAINING PROGRAMME

Duration: 10 days
Cost: £3750
Participants: 200

LEADERSHIP (ELDERS) TRAINING COURSE

Duration: 10 days
Cost: £2,500
Participants: 100

SPECIAL COURSE FOR IMAMS

Duration: 15 days
Cost: £3750
Participants: 150

WORKSHOP FOR DAI'S (PREACHERS)

Duration: 15 days
Cost: £3750
Participants: 100

MADRASSA MUAALIMS TRAINING

Duration: 15 days
Cost: £3750
Participants: 150

ISLAMIC RELIGIOUS EDUCATION TRAINING COURSE FOR SCHOOL TEACHERS

Duration: 15 days
Cost: £2,500
Participants: 75

School Meals & Education

Reality for our children is but a dream for school children in western Kenya. The ill fitting uniforms is just something we can see but for most school children breakfast and lunch is non-existent. One meal a day at home usually consisting of only maize and some sugar cane is the staple diet of the Kenyan youth. Vegetables and protein is not part of the main diet and is not seen in the villages of western Kenya.

Angel welfare & education trust have chosen 3 schools to provide porridge for all the 1200 students on every school day for the full year. The response in class and in their educational progress has been dramatic. The cost is 5 pence per child per day.

The need to provide more nourishment for these children is plain to see especially with the average age in western Kenya being only 55 years.

10,000
SCHOOL
MEALS

provided in the
last 12 months

and

2
SCHOOL
EXTENSIONS

Farmers Programme

Farmers are given 6kg maize seed and 25kg fertilizer per half an acre of land so that they may farm and see healthy harvest in 6 months time. Our aim is that the farmers can stand on their own feet and not rely on handouts as they should be in a position to self sustain.

COST: £80

Weddings

Newlyweds are provided with clothes, bed, bedding, chair, wardrobe and some basic foods.

40 newlyweds were sponsored for in 2013.

COST: £200

Tomato Plantation

The first greenhouse has been successful, thus a second greenhouse is being constructed.

Imams Wages

The Imams mostly reside in a property specially built next to the Masjid for them. Most do not have another job because of their duties to the Masjid and Madrassah. They survive on what the local Muslims have to offer them, who are largely poor and destitute themselves. £30 per month is not too much to ask for looking after a whole community and their Masjid. Sow the seeds of Islam today and Insha-Allah be rewarded until the Day of Judgement.

COST: £360

The Journal

Sunday 2nd Feb

Visited Masjids in the following areas...

Kaunda
Shibuli
Shakulo
Jamia Kisumu

Monday 3rd Feb

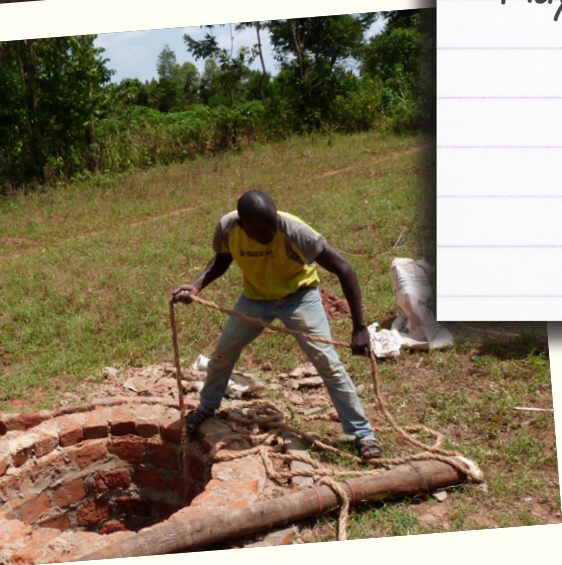

Imaam seminar with 54 imaams
Lwanda shop mosque Visit
Furave mosque Visit

Tuesday 4th Feb

Mumias Muslim Boys Secondary School visit

Wednesday 5th February

Bulimbo Christian and Muslim Primary School
visit
Makunda School & Madressa visit
Mayoeni Hafiz Boarding School visit

Thursday 6th Feb

Visit to Masunga mosque

Visit to Shikangu mosque

Burundi Mosque visit

Makunda masjid, orphanage & school visit

Bumangale mosque visit

Buhayi Secondary School visit

Friday 7th Feb

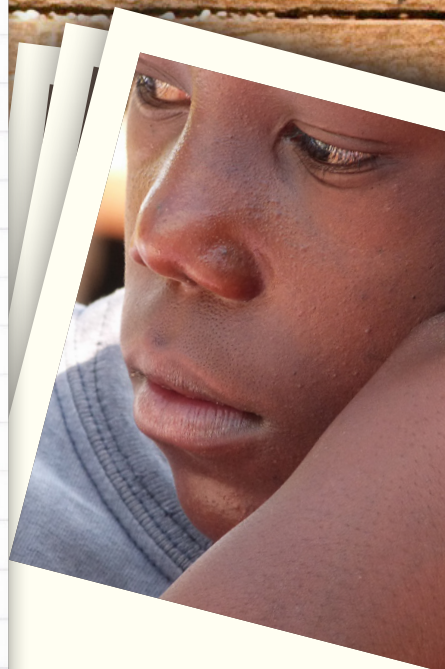

Brangasi mosque visit

Today I watched more hungry people staring into the skies, hoping wishing praying and dying for food. Being weak from hunger because of the lack of food, because they could not grow anything, because the rains didn't come, they will contract HIV then TB or malaria from lethal mosquitoes or... And then everyone dies. And I see it. I traipse around with my stupid notepad and anger and shame and then I come back and tell everyone about it... that's all I can do.

Tomorrow, I will walk again through the uncountable misery of the poorest, most wretched people of our world and again I won't know what I'm doing there. I should be at home with my family, but that's a different world. One I should, but cannot, let myself consider today.

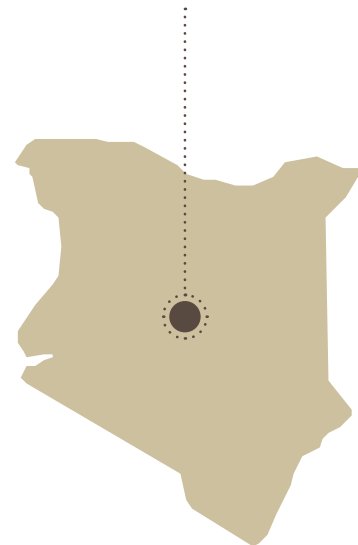

I shall walk on and you will finish reading this and turn the page.

Nasim Patel – Trustee

REQUIREMENTS

Well Pumps	£425 each	Lillah & Sadaqah Nafl only
Wells	£475 each	Lillah & Sadaqah Nafl only
Well + Well Pump	£900 each	Lillah & Sadaqah Nafl only
Water tanks for wudhu	£500	Lillah & Sadaqah Nafl only
Orphan Sponsor	£300 per annum	Zakah acceptable
Imam Sponsor	£360 per annum	Zakah acceptable
20 Day Residential course	£3,750	Lillah & Sadaqah Nafl only
Mosque – 200 capacity	£13,000	Lillah & Sadaqah Nafl only
Mosque – 125 capacity	£10,000	Lillah & Sadaqah Nafl only

How money is spent:

Lillah and Sadaqah Nafl is usually spent on Masjids renovations and special projects.
Zakah and Sadaqah Wajib is spent on food distribution for widows and orphans, and special emergency cases of the homeless, poor and the extreme underprivileged cases.
